

# Christmas Jewel® Holly

*Ilex x 'HL10-90' PP14477*

O Christmas Jewel®, O Christmas Jewel®, how lovely are thy branches! Really, though. This female holly touts huge Rudolph-red berries against dense, polished green, wreath-worthy foliage, and is perfect for use as a screen or specimen...no pollinator needed! You'll be cultivating Christmas spirit all year long with this shining star in your landscape!
