Hearts A'fire™ Redbud

Cercis canadensis 'JN100' | PPAF

Hearts A'Fire™ Redbud is an outstanding specimen tree with lavender flowers in early spring. Show-stopping heart-shaped leaves then emerge crimson red and transition to burgundy, orange, yellow and chartreuse green as they mature. Color does not fade in summer heat and darkens again as fall approaches.

Exposure: Full Sun

USDA Hardiness Zone: 6

Size: 12-15ft. tall x 8-12ft. wide

Growth Rate: Moderate

Bloom Time: Early Spring

Bloom Color: Lavender
